

## Cover Up Fashion

Why not grow a goatee or a beard  
if you don't like the look of your face

Why not wear those three-quarter shorts  
if you don't like the look of your legs

Why not wear no belt with your pants  
if you don't like the look of your rear end

Why not put those studs on your body  
if you don't like what you were born with

Why not put tattoos on your body  
if you don't like the look of your skin

Why don't you like yourself  
if you see something wrong in the mirror
