

Get Rid of Money

Money

Has created to many humans
and has turned us into Normans

Money

Has created lots of problems
and is used to help with problems

Money

Has made many too fat
and so many too skinny

Money

Has created those who peak
and turned so many weak

Money

Is destroying our creatures
by bulldozing their ventures

Money

Has made as compete
until we all deplete

Money

Has created the wars
which makes our sores

Money

Has made some rich
and has made many poor

Money

Has created the wealthy
and those who are unhealthy

Money

Is about using our granite
which destroys our planet

Money

Has made some do crime
which makes them feel fine

Money

Has created lots of diseases
and won't except our excuses

Money

Is destroying Mother Nature
which doesn't help our future

Money

Has made those who are evil
and they greed like the devil
